CROB

TOMR HATCHET

artist agency

This is CROB, born and raised in the Netherlands, has been mixing it up for over ten years! Driven by passion and energy he always delivers that magical sound to make the crowd go wild!

His passion for music started at an early age, going all the way back to experimenting with audio cassette recordings and mixing vinyl. Over the years he constantly adapted and embraced new sounds.

Known for his technical skills, flair and pushing musical boundaries. When behind the decks, he always keeps the baseline humming.

With bookings at at the iconic **Tomorrowland** festival, performances all around the world, his signatory 'This is CROB & Friends'-livestream festival and monthly radioshow **#CROBFAM** at EJR Radio, This is CROB has shown he's here to stay!
